- ONLINE MEETING - **HRISTO BOTEV PRIMERY SCHOOL - Sliven - Bulgaria**

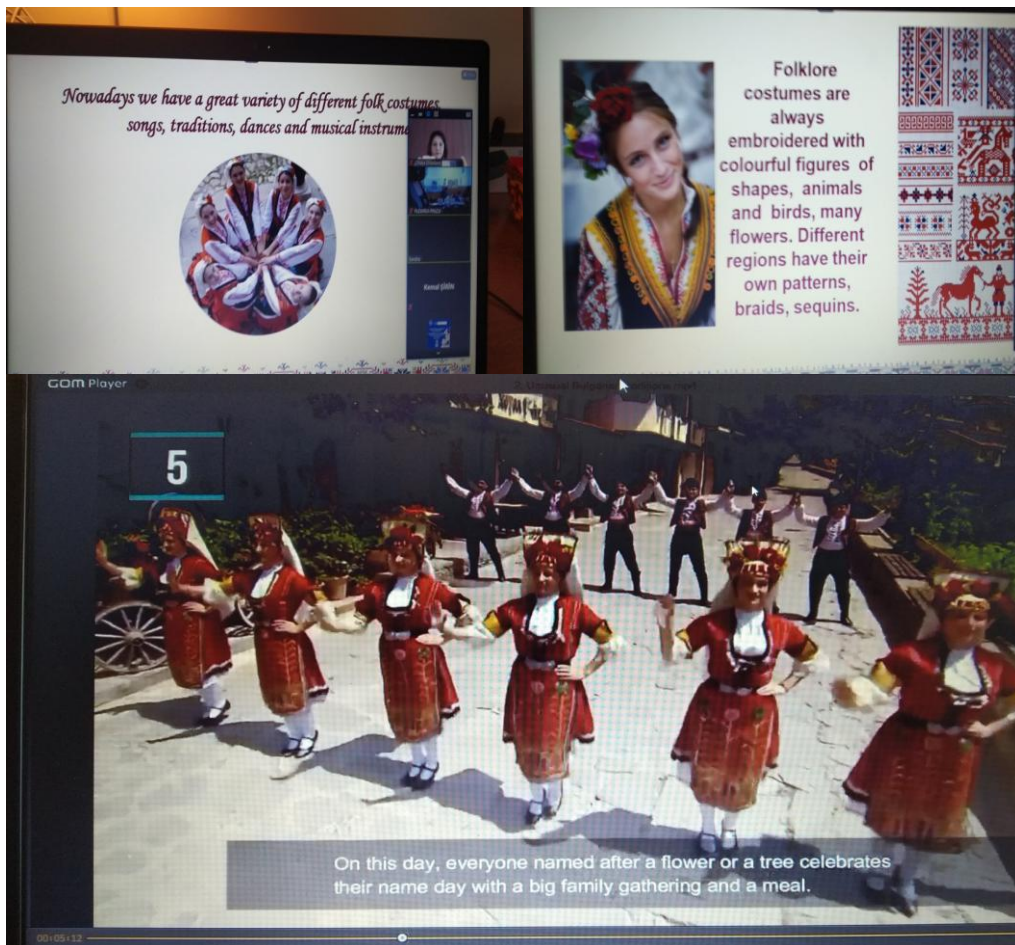

18 – 24 April 2021 - “Famous people and customs“

The mobility organized by the Bulgarian partners in online mode, following the anti Covid 19 restrictions, began on the 18th with the opening ceremony and the virtual tour of the school.

Day 19 followed the virtual tour of Bulgaria with a video on the 10 most beautiful and incredible places in the country, such as Devetashka Cave and the eyes of God in the Prohodna Quarry:

Following the meeting, a video of a virtual tour of the host city, Sliven and of the famous festivals and traditions in Bulgaria was also shown:

Day 19 the works planned for the meeting were shared, i.e. the presentations made by the students on famous people from the past of each country: the class involved, the II C of the Rosso Middle School of San Secondo, made a presentation on Andrea Camilleri and the Sicilian character of Montalbano he created.

The following days the students, together with their teachers, worked on the creation of presentations on well-known personalities from the current world famous all over the world: for Italy the designers Dolce and Gabbana, the singer Laura Pausini, the world Olympic champion Bebe Vio and astronaut Samantha Cristoforetti were chosen. Day 21 the meeting opened with the presence of the Romanian actress Maia Morgenstern, famous for having interpreted the role of Mary in the film directed by Mel Gibson "The Passion" about the life of Jesus. Subsequently the works of each country were shared, which were published in virtual folders created by the Bulgarian school in which each included a character from each member country.

To underline the diligent commitment of the pupils who, despite being in Dad mode, were able to follow the instructions of the teachers and quickly complete the required work.

Day 22 there was a practical activity, an art workshop entitled "Be creative" in which the students were invited to create with materials such as paper, glue, ribbons, bows etc ... masks depicting a typical character of the Bulgarian tradition called Kuker, of ancient origin, as well as the traditional Easter eggs that are part of the typical Bulgarian festivities, a moment to be able to put their creativity in motion with what they had available at home:

On day 23 the pupils interacted and practiced the English language with an interactive game on famous people, while on day 24 the host school organized a workshop entitled "Folk dances": while listening to the

traditional music of each country involved, the students were called to express their feelings with images and colors:

Day 24 the meeting ended with the exhibition of the products made according to the theme of the project: e-books, blogs, eggs, masks, images - the delivery of the Certificates and the final monitoring with the planning of the next staff meeting organized by Turkey.
